Professional Summary

Creative and detail-oriented Web Developer with a strong foundation in front-end technologies and a growing passion for full stack development. Skilled in creating responsive, user-friendly websites using HTML, CSS, JavaScript, and Tailwind CSS. Adept at integrating UI/UX design principles for optimal usability.

Technical Skills

Languages: HTML, CSS, JavaScript, C, C++
Frameworks/Libraries: Tailwind CSS, jQuery
Tools: Git, VS Code, Chrome DevTools

Projects

• Personal Portfolio Website – Developed a dark-themed responsive portfolio with interactive sections (Home, About, Services, Skills, Contact) using Tailwind CSS, Typed.js, and OwlCarousel.
• UI/UX Services – Designed intuitive and visually appealing mock interfaces focusing on user flow and responsiveness.

Education

B.Sc. in Computer Science and Engineering
Patuakhali Science and Technology University (PSTU)

Certifications & Achievements

• Ongoing practice in competitive programming (Codeforces)
• Successfully built interactive web applications for academic and personal use
